

NORTH COTSWOLD CYCLING CLUB - PARENTAL CONSENT

The club can (at its discretion) accommodate young riders aged 12-17 (not younger), subject to several conditions:

- All riders need to be competent to the Level 2 Cycle Training Standards (or equivalent)
 - Level 2 Cycle Training Standards can be found here:
www.bikeability.org.uk/get-cycling/cycle-training-for-children/bikeability-level-2/
- We have received a signed parental consent form in advance
- Another rider in the group is able to take responsibility for the young rider and ensure they are not left on their own during the session

Note that ride leaders may not be in a position to look after the young rider, as they have other responsibilities to the group.

NORTH COTSWOLD CYCLING CLUB - Parental Agreement and Medical Consent Form

This document is for the parents or guardians of riders under the age of 18 wishing to participate in our club rides. Our rides are suitable for those who can ride unsupported for two to three hours at a moderate pace and over a distance of approximately 20-40 miles for road rides, 15-20 miles for off road rides.

Young riders need to be pre-vetted prior to the initial ride and they must follow the ride leader's instructions at all times.

I understand that the above-named rider participates in club rides at his/her own risk and am satisfied that he/she is sufficiently responsible and competent (to Level 2 Cycle Training Standards) to assume responsibility for their own safety in relation to bike handling, hazards and other traffic.

I understand that club rides **are not coached** and there is no responsibility on the part of the club or ride leader to coach my child.

I understand that in the case of injury, illness or mechanical breakdown during a ride, an adult member or pre-organised ride guardian will make all reasonable effort to remain with the participant until they can be picked up by, or accompanied to, a responsible adult and accept that they will act 'in loco parentis' during this time. Reasonable efforts will be made to contact the person/s stated above.

Medical Information

Please note below any **relevant** medical information you feel we should know about (e.g. asthma, allergy) in the case of an emergency. This information will not affect their participation in the rides and will only be used by ride leaders if there is a medical emergency or medical services are required. In which case, this information will be passed on to them. We will always attempt to contact you first if there is such an emergency.

In addition, we would ask that all riders carry an 'In Case of Emergency' card with contacts and any medical details stated in the box below.

In compliance with the Data Act 2018 and UK General Data Protection Regulation, this information will be kept appropriately secure and will only be passed on to ride leaders.

Please indicate if you would like to speak privately with a member of the club about this matter.

MEDICAL INFORMATION

It is very important that medical information is kept up to date and so any changes should be noted on new forms along with renewed consent annually at membership renewal.

If you wish to review the information held or withdraw your consent at any time, please email to our welfare officers listed on the club website. Consent will be revoked on reaching 18 where all data, including medical, will be deleted.
